

Clintonville Parks and Recreation Department

2020 Youth Soccer League

1. Call everyone on your roster and let them know about the first day of practice (which field, day and time).
2. Please check rosters for useful information such as contact info, emergency contact and Special Notes on your players.
3. At practice please handout game schedule, photo day schedule & rules.
4. Make sure each parent purchases soccer shoes, shin guards and soccer socks for practice/games.
5. Team t-shirts and coach t-shirts have been ordered and I hope to have them the week of August 24th. I will contact coaches and they can pick them up at City Hall (50 10th Street).
6. If you have any questions or concerns please contact the Parks & Recreation Director at (715) 250-0216 (text or call) or email at jmcauly@clintonvillewi.org.
7. The Soccer Room will be located at the Northeast side of the Green Storage building near the soccer fields. The code to get into the Soccer Room this season is 9620. There is also a lock box by the service door (between the restrooms of the Softball Shelter). The lock box code is 9620 and it will have a key for the restrooms at the Softball Shelter. You can unlock the restrooms during practice (lock them before leaving). The Soccer Room will have the lost and found box, extra first aid supplies and schedules/rules posted.
8. Evaluation forms will be handed out mid-season. The department would appreciate honest evaluations for each player on your roster so the 2021 rosters are easier to create. Our goal is having competitive games throughout the league. Without evaluations there isn't much to go off of year to year.
9. Please remind parents that they should be practicing social distancing this year during games. Also, I made the sideline coaching boxes larger so players and coaches on the sideline can spread out more. Remind the parents that there will be designated sidelines for spectators. We do not want parents sitting on the sideline with players and coaches.

Thank you for taking on the role as head or assistant coach for the 2020 Clintonville Parks & Recreation Department Youth Soccer League!
